

IN THE UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF MONTANA
BILLINGS DIVISION

UNITED STATES OF AMERICA,

Plaintiff,

vs.

JOHN EDWARD TERRY,

Defendant.

CR 16-127-BLG-SPW-TJC

**FINDINGS AND
RECOMMENDATION OF
U.S. MAGISTRATE JUDGE**

The Defendant, by consent, appeared before me under Fed. R. Crim. P. 11 and entered a plea of guilty to the Indictment, which charges the crime of being a felon in possession of a firearm, in violation of 18 U.S.C. § 922(g)(1).

After examining the Defendant under oath, the Court determined:

1. That the Defendant is fully competent and capable of entering an informed and voluntary plea to the criminal offense charged against him;
2. That the Defendant is aware of the nature of the charge against him and the consequences of pleading guilty to the charge;
3. That the Defendant fully understands his pertinent constitutional rights and the extent to which he is waiving those rights by pleading guilty to the criminal offense charged against him; and

4. That his plea of guilty to the criminal offense charged against him is knowingly and voluntarily entered, and is supported by independent factual grounds sufficient to prove each of the essential elements of the offense charged.

The Defendant entered the guilty plea without a written plea agreement. Upon inquiry, Counsel represented that a plea agreement offer was made to Defendant, but the terms of the plea agreement were substantially similar to the terms available to Defendant upon entering his guilty plea without benefit of a written agreement.

Therefore, I recommend that the Defendant be adjudged guilty of the charge in the Indictment and that sentence be imposed.

Objections to these Findings and Recommendation are waived unless filed and served within fourteen (14) days after the filing of the Findings and Recommendation. 28 U.S.C. § 636(b)(1)(B); Fed. R. Crim. P 59(b)(2).

DATED this 28th day of February, 2017.

TIMOTHY J. CAVAN
United States Magistrate Judge
